PRC Task Force – ELCC+QCC Meeting

June 1st, 2026; 12-1pm PPT

Meeting Agenda

1. Resource Registration for new Long Duration Storage that does not fit into existing class
 - a. Proposal endorsement for public comment
 - b. Recommendation for public comment duration
 2. ELCC roundtable discussion
-
- More general: After learning more about ELCC methodology, hearing APS's proposal, and discussing alternatives at the Technical Session, are Task Force members still interested in an alternative methodological approach to what is the current WRAP policy?
 - If so, are folks interested in pursuing the development of an alternative proposal based on two cohorts separated by operational data history (as discussed in the Technical Session today)?

WPP forums will not foster or allow communications or practices that violate antitrust laws. Please avoid discussion of topics that would result in anti-competitive behavior, including but not limited to: availability of or terms of services and sales, design of products, price setting, or any other activity that might unreasonably restrain competition.
