The Western Power Pool (WPP) has convened its interim version on the Nominating Committee and WRAP Program Review Committee. These committees will be working on standing up their respective processes as the WPP seeks FERC approval, which will trigger the official committees. This transition is planned for 2023.

Please reach out to your sector representatives or the WPP at wrap@westernpowerpool.org for more information or to be added to your sector’s mailing list.

The sector representatives on the **Nominating Committee** are:
