Notice of Withdrawal from the Western Resource Adequacy Program (WRAP)

Dear Board of Directors of the Western Power Pool:

NV Energy hereby provides formal written notice of its intent to withdraw from participation in the Western Resource Adequacy Program ("WRAP"), pursuant to Section 9.1 of the Western Resource Adequacy Program Agreement.

NV Energy understands that this notice initiates its "Withdrawal Period," during which NV Energy remains subject to all obligations and requirements of the WRAP Tariff and Agreement, including those related to the Forward Showing Program and Operations Program. NV Energy remains committed to supporting the program constructively throughout this transition.

NV Energy appreciates the collaborative efforts of the WRAP community and looks forward to future opportunities for regional coordination.

Please confirm receipt of this notice and advise on any additional procedural steps required to complete the withdrawal process.

Sincerely,

A handwritten signature in black ink that reads "Michael F. Holland".

Michael F. Holland
Vice President, Resource Optimization
NV Energy
