WestTEC Steering Committee Members
Co-Chairs: Jennifer Galaway, Portland General Electric; Ashley Kelly, Arizona Public Service

The Steering Committee includes senior or executive leadership from a diverse group of entities, including a liaison representing State regulators named by the Western Interstate Energy Board. The Steering Committee is the primary decision-making arm of WestTEC, responsible for providing direction and guidance to the WestTEC Assessment Technical Taskforce (WATT) and for collaborating with the Regional Engagement Committee (REC).

The first member listed for each organization is Primary. Alternates are also listed below.
